Moving??

You've trusted Acadian Ambulance to protect you and your loved ones since 1971. Well, hearts aren't the only thing we monitor at Acadian! For more than 20 years, Acadian's monitoring division has been protecting more than 150,000 homes and businesses by providing expert monitoring services for alarm companies across the nation.

We are proud to bring our lifesaving experience, coupled with our security alarm experience, directly to you. Acadian Total Security offers innovative security and home automation systems with professional, local installation, service and monitoring.

Because you are a current Acadian Total Security customer who is moving, we are authorized to extend a **SPECIAL DISCOUNT** to you at your new home as well as a great offer to the purchaser of your present home. You will receive:

- 3 months of free monitoring in your new home
- 20% off of the purchase of all new equipment

The buyer of your present home will receive:

- 3 months of free monitoring

This offer is provided exclusively to current Acadian Total Security customers who are moving and can be redeemed over the phone by calling 1.855.ACADIAN and referencing the Promo Code: **MOVING**.
